Message: Set your goals high, and don't stop till you get there. (Bo Jackson).

Mood: fun, positive and motivating, fantasy.

The idea:

I would like to describe an idea of setting your goals and never giving up on it till you reach it. It could be described as an inspiration for the people outside there reaching their goals or setting dreams. I choose space as a background because it is symbolize the eternity. The main character is cat, who's living alone in his planet. The cat is secret, intelligence, wisdom, paying to get away from the predicament symbol. A stars, who after will become gold fishes, symbolize the goals. Cat will try to reach the fish, but evil bird will make it more difficult. After a few setbacks, the cat finally will reach his goal.
